

KANSAINVÄLISIÄ KIRJOITUKSIA KOSKIEN NATOON LIITTYMISTÄ

15.8.2022, Nr 4

Arvoisat vastaanottajat!

Alla olevat linkit osoittavat miten surkeassa tilassa suomalainen ja länsimainen valtamedia on. Avoin tiedonvälitys, tutkiva journalismi, demokraattinen keskustelu, kaikki nämä ovat enää vain tyhjiä sanoja – jos sitäkään.

Alla oleva lainaus on tänään yhtä ajankohtainen kun vuonna 1648:

Axel Oxenstierna (kuningas Kustaa II Adolfin neuvonantaja) - lausui pojalleen Johanille, kun hänen oli määrä edustaa Ruotsia Westfalenin rauhanneuvotteluissa vuonna 1648: "Etkö tiedä, poikani, kuinka vähällä järjellä maailmaa hallitaan?"

Lainaus luetaan myös ranskalaisen kardinaalin Armand-Jean du Plessis Richelieun ansioksi.

Hyvää syksyn alkua.

CovertAction Magazine – August 13, 2022 - War Propaganda About Ukraine

Starting to Wear Thin - Chay Bowes

More and More Are Seeing Through the Lies

As Amnesty International confirms the inconvenient truths, which many independent journalists and political observers already knew, about the Ukrainian army's behavior in Donbass, it's worth examining how manipulating the truth has become—not only as an everyday occurrence but as a central element of the West's proxy war in Ukraine...

Chay Bowes is a campaigner, for independent journalism, entrepreneur and writer from Ireland. He is interested in geopolitics and history and has a masters degree in strategic studies.
