

## **TÄRKEITÄ ASIOITA MAAILMALTA**

10.9.2022, Nr. 7

### **Arvoisat vastaanottajat**

Elokuussa ulkomailla uutisoitiin, että Britannian pääministeriehdokas Liz Truss sanoi olevansa tarvittaessa valmis käyttämään ydinaseita. Odotimme jännittyneinä laajempaa yhteiskunnallista keskustelua asiasta, joka on koko maailmalle kohtalokas eloonjäämiskysymys. Meillä oltiin asiasta aivan hiljaa.

Laajempaan keskusteluun ei ole myöskään noussut se, että elokuussa järjestetyn YK:n ydinsulkusopimuksen seurantakonferenssin aikana suuri joukko ydinaseettomia valtioita halusi antaa lausunnon ydinsodan tuhoisista humanitaarisista seurauksista. Vastaava lausunto, lähes samalla sanamuodolla, annettiin edellisessä seurantakonferenssissa vuonna 2015. Sitä tukivat silloin muun muassa Suomi, Ruotsi ja useat Nato-maat.

Mutta tällä kertaa NATO näytti punaista valoa sanamuodolle: ydinaseita ei käytetä enää koskaan missään olosuhteissa ("under any circumstances"). Näitä kolmea sanaa ei voitu nyt hyväksyä. Yksikään NATO-maa, eikä Suomi eikä Ruotsikaan, tukenut lausuntoa.

Kuten hyvin tiedetään, Nato haluaa varata itselleen oikeuden ensimmäiseen ydinaseiden iskuun. (linkki 7)

Suremme Suomen täydellistä antautumista kehitykselle, jossa jätetään uutisoimatta maailmalla tärkeistä asioista!

**ECONOMIC VALUE OF PEACE 2021 – Measuring the Global Economic Impact of Violence and Conflict –Institute for Economics and Peace**

*The Institute for Economics & Peace (IEP) is an independent, non-partisan, non-profit think tank dedicated to shifting the world's focus to peace as a positive, achievable, and tangible measure of human well-being and progress. IEP achieves its goals by developing new conceptual frameworks to define peacefulness; providing metrics for measuring peace; and uncovering the relationships between business, peace and prosperity as well as promoting a better understanding of the cultural, economic and political factors that create peace. IEP is headquartered in Sydney, with offices in New York, The Hague, Mexico City, Brussels and Harare. It works with a wide range of partners internationally and collaborates with intergovernmental organisations on measuring and communicating the economic value of peace.*
