

PIENIÄ TOIVON PILKAHDUKSIA!  
27.2.2023, Nr 19

Arvoisat vastaanottajat

Paine nousee tihenevässä tahdissa Ukrainan sodan lopettamiseksi. Valitettavasti ei USA:n ja muiden länsimaiden johtajien toimesta, vaan yhä useamman julkisesti tunnettujen ja arvostettujen henkilöiden toimesta kuten alla olevista linkeistä ilmenee.

Toivoa antavat ennen kaikkea professori Jeffrey Sachs ja entisen CIA upseerin Ray McGovernin esiintymiset YK:ssa muutama päivä sitten.

Toivoa tuo myös Kiinan kanta Ukrainan sodan tilanteesta ja esitys sen ratkaisemiseksi, jota Lawrence B. Wilkerson, eläkkeellä oleva Yhdysvaltain armeijan eversti ja entinen Yhdysvaltain ulkoministeri Colin Powellin esikuntapäällikkö, kommentoi youtube haastattelussa.

Tukea tuovat etenkin länsimaissa järjestyt mielenosoitukset, jotka yhdistävät voimia aivan uudella tavalla. Poliittinen väri hämärtyy ja vaatimukset sodan lopettamiseksi nousevat etusijalle.

Surullista on suomalaisten poliitikkojen ja valtamedian uusi rooli USA:n ja NATO:n ovimattana.

Mutta toivoa tuo **irlantilaisen EU parlamentaarikon puheenvuoro EU-parlamentissa Nord Stream sabotaasista.**

Hän asetti kysymyksensä näin:

***"Have we become so subservient, has the EU become so subservient, to US empire that we can't even ask them if they did it. Is that a f\*\*\*\*\*g joke."***

YK:ssa Jeffrey Sachs kommentoi Nord Stream sabotaasia näin:

*"an act of international terrorism"* .

Vaikenemalla tästä Suomen poliittinen eliitti hyväksyy kansainvälisen terrorismin.

Several hundred protesters gathered in Washington on Sunday to oppose continued U.S. support for Ukraine as it fights off Russian aggression. "This proxy war that we're fighting against Russia right now could turn at any moment into a direct conflict between the United States and NATO and Russia, a country that has more nuclear weapons than any other in the world," said former Rep. Tulsi Gabbard of Hawaii.

**EXPRESS UK – February 19, 2023 - MEP erupts in furious rant at 'subservient' EU over investigation into Nord Stream attack**

Pulitzer Prize-winning journalist Seymour Hersh's recent blog post cited an unidentified source as saying that US navy divers destroyed the pipelines with explosives under President Joe Biden's orders.

An Irish MEP unleashed fury at the EU for its investigation into the Nord Stream pipeline attack, the major Baltic Sea gas system linking Russia to Europe that blew up in September. Mick Wallace, the MEP for Ireland South, has blown his top at the European Commission, dishing out some damning accusations during an impassioned speech in the European Parliament. He alleged that the EU is being "subservient to the US" by failing to ask whether it blew up the Nord Stream systems.

**CAITLIN.JOHNSTONE.COM – February 16, 2023 - Australians Aren't Allowed To Know If There Are American Nukes In Australia**

The US government is permitted to have nuclear weapons in Australia. What's more, Australians are not permitted to know whether or not this is happening. What's more, not even Australia's elected senators are permitted to know whether this is happening. It's assumed to be none of Australia's business whether there are foreign nuclear weapons in Australia.

This was clarified during a Senate estimates hearing on Wednesday, when Greens senators were condescendingly admonished by the Australian foreign minister for the very normal and appropriate attempt to clarify the government's policy regarding the presence of US armageddon weapons on Australian soil.
