

KESÄLUKEMISTA JA POHDITTAVAA
16.6.2023, Nr 26

Arvoisat vastaanottajat

Kesälukemista ja pohdittavaa!

Kovia ulostuloja turvallisuuden, puolustuksen ja militarisoinnin julmaan kasvuun näkee ja kuulee monelta taholta. Esimerkiksi Saksan hallitus haluaa olla "yksi tehokkaimmista tavanomaisista asevoimista Euroopassa ja tehdä Saksasta myös Naton sotilaallisen keskuksen.

Valtavaa Nato kiimaa on ilmassa. Tukholma aikoo lähettää "signaalin Venäjälle" sallimalla Naton joukkojen sijoittamisen Ruotsiin ennen kuin maa hyväksytään liittouman jäseneksi. Ukrainaa ollaan kovaa vauhtia viemässä Natoon huolimatta siitä, että vastakkaisiakin ääniä kuuluu.

Kanada lupaa Ukrainalle sotilaallista tukea "niin kauan kun sota kestää". Ja ryhmä Nato-maita on Naton entisen pääsihteerin Anders Rasmussenin mukaan halukas lähettämään joukkoja Ukrainaan, jos jäsenmaat, mukaan lukien Yhdysvallat, eivät anna konkreettisia turvatakuita Kiovalle liittouman huippukokouksessa Vilnassa.

Tämä meno valitettavasti vaan kovenee vaikka maailmalta esitetään rauhansuunnitelmia. Viimeksi Indonesian puolustusministeri Prabowo Subianto esitteli Singaporen Shangri La -vuoropuhelussa Ukrainan rauhansuunnitelman. Tämä on kuitenkin saanut halveksuntaa ja pilkkaa Euroopassa.

Näistä ja monista muista asioista kirjoitetaan alla olevissa linkeissä.
Kesälukemista.
Rauhanterveisin

John F. Kennedy – Address before the Irish Parliament in Dublin, 28 June 1963

"And no nation, large or small, can be indifferent to the fate of others, near or far. Modern economics, weaponry and communications have made us all realize more than ever that we are one human family and this one planet is our home."
