

## **VAADITAAN TÄYDELLISTÄ TULITAUKOA, MIKÄ ON ZELENSKIN ASEMA JA PALJON MUUTA**

30.11.2023, Nr 39

Arvoisa Vastaanottaja!

Kuka taivutteli presidentti Zelenskin olemaan tekemättä rauhansopimusta maaliskuussa 2022 ja miksi? Mikä on Zelenskin tilanne nyt, kun sotaa on käyty yli puolitoista vuotta? Horjuuko Zelenskin kannatus?

Lyhyt tulitauko Gazan alueella ei tyydytä moniakaan mielenosoittajaryhmiä maailmalla. Nyt vaaditaan pysyvää tulitaukoa, jotta Israelin ja Palestiinan väliset neuvottelut voivat alkaa.

Black Fridayn aikana nähtiin ympäri maailman suuria Palestiinaa kannattavia mielenosoituksia. Muun muassa Yhdysvaltojen suurissa kaupungeissa New Yorkissa, Chicagossa, Illinoisissa ja Los Angelesissa. Näistä Youtube esityksiä.

Saksassa protestoidaan Ukrainan asetoimituksia ja armeijan menojen lisäämistä vastaan sanoen Ei sodille - lopeta asevarustelun hulluus.

Ammattiliitot maailmanlaajuisesti haluavat pysäyttää asetoimitukset ja rahoituksen Israelille.

Venäjän ydinriippuvuustaktiikka heijastuu Euroopassa – Bulgaria, Tšekki ja Suomi luottavat Venäjän ydinteknologioihin. Samalla myös venäläisen rikastetun uraanin maailmanlaajuinen vienti jatkaa kasvuaan.

Osana kirjailijoiden Jeffrey Sachsin ja Guillaume Lafortunen akateemista tutkimusta kestävän kehityksen tavoitteiden (SDG) saavuttamisesta, missä määrin YK:n jäsenvaltiot noudattavat YK:n peruskirjaa ja YK:n tukemia tavoitteita.

74 maan listan lopussa on Yhdysvallat, ja Israel toiseksi viimeisellä sijalla. Molemmat maat ovat usein ristiriidassa YK:n monenvälisen järjestelmän kanssa. Ykköseksi kipuaa Barbados. Raportti luettavissa linkissä 17.

Tänään Dubaissa alkavan COP28 ilmastokokoukseen viitaten huomautamme, että Yhdysvaltain ja Ison-Britannian armeijat ovat kaksi eniten vastuussa ilmastokriisistä maailmassa. Linkki 19.

Antoisia luku ja katseluhetkiä.

#### **Times of Israel – 26 November 2023 - Tens of thousands attend anti-Israel demonstration in Morocco**

CASABLANCA, Morocco — Tens of thousands of Moroccans took to the streets Sunday in the country's commercial capital Casablanca, in an anti-Israel protest that called for a permanent ceasefire in the Gaza Strip and the suspension of diplomatic ties with the Jewish state.

The fledgling rapprochement between the North African country and Israel had made steady progress since 2020 when the two governments normalized relations, but that has been thrown into reverse by the deadly Israel-Hamas conflict. ...

#### **Global Politics – 26 november, 2023 - Ordföranden i Zelenskys parti "Folkets tjänare" säger nu: Ukraina kunde ha accepterat Rysslands fredsplan förra våren**

... Konflikten i Ukraina kunde ha avslutats redan våren 2022 om Ukraina hade gått med på neutralitet, sade Davyd Arakhamia, ordförande för Zelenskijs parti Folkets tjänare. ...

På frågan om varför Ukraina vägrade att gå med på Rysslands villkor svarade Arakhamia att detta beslut också påverkades av den brittiske premiärministern. "När vi återvände från Istanbul kom dessutom Boris Johnson till Kiev och sa att vi inte skulle skriva under något med dem alls. Och 'låt oss bara slåss', sa han", sade Arakhamia. ...

#### **CBNW – November 26, 2023 - No Sanctions for Russian Nuclear Exports: Russian Dolls and Chinese Whispers**

... ROSATOM has become a leading supplier of nuclear reactors and services through a combination of flexible business models, attractive financial packages, and diplomatic tools. Russia plans to supply fuel for Slovakia's new Mochovce-3 Russian-designed VVER reactor and supports Hungarian ambitions for new nuclear at the Paks nuclear power plant (NPP), underwritten by a €10 billion Russian loan. This nuclear dependency tactic is reflected in Europe – with Bulgaria, Czech Republic, and Finland also relying on Russian nuclear technologies, services, as well as fuel elements. ...

Meanwhile, imports from ROSATOM-controlled mining and transport from Kazakhstan to EU utilities were 2358 tonnes last year, representing almost 20% of all EU imports. Global imports of Russian enriched uranium also continue to increase. ...

#### **Yle - 16.4.2023 - Russian nuclear fuel sent via Finland to undisclosed destination**

Finnish authorities were tight-lipped about two planeloads of Russian nuclear fuel that left Helsinki Airport on Saturday evening. ...

Russian nuclear fuel has been transported via Finland by air since the Russian invasion of Ukraine last year. This was apparently the first time that nuclear fuel was transferred as air cargo via Finland since November. Fuel was then loaded onto two planes in Lappeenranta, eastern Finland, bound for Bratislava, Slovakia. ...

Similar deliveries pass through Finland a few times each year, said Tiippana. ... Nuclear fuels are not subject to EU sanctions imposed on Russia due to the war.

#### **Berliner Zeitung – 25.11.2023 - Janina Sokolowskaja: Falls Saluschnyj kandidiert, wird Selenskyj höchstwahrscheinlich verlieren**

Die ukrainische Journalistin im Interview über die Sommeroffensive, die Korruption, Selenskyjs Standing in der Bevölkerung und die Aussichten auf Frieden.

... "Der Oberbefehlshaber der ukrainischen Streitkräfte, Waleryj Saluschnyj, sagt nun, der Krieg entwickle sich zu einem Stellungskrieg wie im Ersten Weltkrieg. Diese Aussage sorgt in Selenskyjs Umgebung für so viel Empörung, dass die Differenzen zwischen der Regierung, die das Volk nicht beunruhigen will, und dem auf Faktenbasis argumentierenden Militär offenbar werden. ...

Für Selenskyj wären Wahlen derzeit ungünstig. Er wurde mit dem Versprechen gewählt, nur eine Amtszeit zu absolvieren, als „Diener des Volkes“ zu agieren, das Volk in allen wichtigen Fragen zu konsultieren und Volksabstimmungen durchzuführen. In Wirklichkeit hat das Kriegsrecht ihn zum Alleinherrscher gemacht.

Falls der derzeitige Oberbefehlshaber Saluschnyj ebenfalls kandidiert, würde Selenskyj mit großer Wahrscheinlichkeit verlieren. Laut nicht veröffentlichten Meinungsumfragen liegt das Vertrauen in Selenskyj bei rund 68 Prozent und in Saluschnyj bei rund 95 Prozent." ...

**CNN – November 16, 2023 - Israel drops leaflets on parts of southern Gaza suggesting possible expansion of offensive against Hamas**

Leaflets were dropped Wednesday on four communities to the east of Khan Younis, the largest city in southern Gaza, warning people living there to "evacuate your residence immediately."

The communities – Al Qarrah, Khuza'a, Bani Suhaila, and Absaan – are near the perimeter fence separating the Gaza Strip from Israel, suggesting possible new incursion points by the Israel Defense Forces (IDF) looking to take control of the south. ...

The director of the Norwegian Refugee Council, which has staff in Gaza, suggested Wednesday in a social media post that members of his local team had seen the leaflet. Reuters also said it had spoken to people who had seen it. ...

Aid organizations have warned that any Israeli move into the south of the enclave could cause a dire humanitarian situation to deteriorate further.

**OTHER NEWS - November 13, 2023 - ADHERING TO THE UN CHARTER: BARBADOS FIRST, THE US LAST**

*By Jeffrey Sachs and Guillaume Lafortune*

... At the very bottom of the ranking of 74 countries is the United States, with Israel being the second from the bottom. Both countries are frequently at odds with the UN multilateral system, as is so evident these days.

The US fails to adhere to the UN Charter in several ways. The starkest is the many wars and regime change operations that the US has led, without any UN mandate and often against the will of the UN Security Council. ...

**RADIO OPEN SOURCE – November 9, 2023– Chas Freeman: "The world's patience with us . . . is coming to an end."**

*Charles "Chas" W. Freeman Jr., an American retired diplomat and writer. He served in the United States Foreign Service, the State and Defense Departments in many different capacities over the course of thirty years.*

Excerpts from the interview:

*... This is what German chancellor Olaf Scholz calls a "Zeitwende". ... A time of a major change in a new direction in history. ... 500 years of dominance by the euroatlantic culture has come to an end. ... What we are seeing now in Palestine is the end of settler colonialism . ... settler colonialism is always accompanied by genocide. ... The world is now dividing into multiple cultures. ... the worlds patience with us and our arrogance and presumption is coming to an end. ....*
