Mitä mieltä ovat Putin, Trump ja monet muut

Arvoisa vastaanottaja!

Tässä kirjeessä on runsaasti videohaastatteluja (esim. professori Jeffery Sachs, Scott Ritter) kirjoitusten lisäksi. Kannattaa kuunnella ja lukea.

- Bidenin toimintatapa on vaaraksi Yhdysvaltain kansalliselle turvallisuudelle.

Heräsimme uutiseen, että Yhdysvallat on hyökännyt Syyriaan, Irakiin ja Jemeniin kostoksi militanteille, jotka ampuvat ohjuksia Yhdysvaltain joukkojen alueelle Syyriassa ja Jordaniassa ja hutheille, jotka pysäyttivät Punaisenmeren rahtilaivoja. Kirjoittaa eversti ja entinen Yhdysvaltain diplomaatti Ann Wright.

Willy Brandt - Nobel Lecture 11.12.1971 in Oslo

*"War must not be a means to achieve political ends. Wars must be eliminated, not merely limited. No national interest can today be isolated from collective responsibility for peace. This fact must be recognized in all foreign relations. As a means of achieving European and worldwide security, therefore, foreign policy must aim to reduce tensions and promote communication beyond frontiers."*

**BRAVE NEW EUROPE – February 19, 2024 - Michael von der Schulenburg – The Ukraine War could come to an unexpected end**

*By Michael von der Schulenburg, former UN Assistant Secretary-General, escaped East Germany in 1969, studied in Berlin, London and Paris and worked for over 34 years for the United Nations, and shortly the OSCE.*

Even if there is still fighting at the front, recent developments in Ukraine would suggest that the war could end in a way that is completely unexpected in the West—with a Ukrainian-Russian agreement. It all has to do with the fact that the war may now be decided in Kiev rather than on the front lines. Central to this is the political survival of President Zelensky, who, once a war hero, may increasingly be seen as an illusionary advocate for a military solution that could risk the future of Ukraine....

**THE HILL – February 10, 2024 - Trump’s rise raises fears for NATO**

Former President Trump’s potential reelection is raising fears at home and in Europe that he could put transatlantic alliances in the crosshairs, perhaps even pull out of NATO, as well as upend American support for the war in Ukraine. Trump is the near-certain GOP presidential nominee, and polls show him leading President Biden nationally and in swing states.

Johannesburg, Feb 9 (EFE).- South African Foreign Minister Naledi Pandor accused Israeli intelligence of attempting to "intimidate" her, after South Africa accused the Jewish state of genocide at the International Court of Justice (ICJ) over the war in Gaza.

Pandor said she was concerned for the security of her family and had asked the country's Police Ministry to beef up her security after receiving threatening messages, local media reported on Friday. ...

**JUDGING FREEDOM Podcast – February 8, 2024 – Interview: Prof. Jeffrey Sachs: The Biden-Schumer Plan to Kill More Ukrainians**

... Sachs about Saudi-Arabia's demand that Israel must accept a two-state solution: It is a reasonable position. The Saudis as well as UN has repeatedly supported a two-state solution as the only way to peace. The US and Israel *"thought they could slip in to normalisation and still rule over seven million Palestinians. It was a fiction and cruelty exposed by Saudi Arabia yesterday."*...

... Sachs about more money to the military-industrial complex for Israel, Taiwan and Ukraine: *"This is Biden covering up his disastrous policy in Ukraine that goes back 10 years to this month. Because it was Biden, Nuland, Blinken and Sullivan that were part of the conspiracy to overthrow the government of Yanukovych which was a government of Ukrainian neutrality. It was that coup that set into motion this disastrous war."*...

**Arbejderen- 08 FEBRUAR, 2024 - USA's militær rykker med fuld kraft ind i Norge**

*Den 2. februar underskrev forsvarsminister Bjørn Arild Gram en aftale om at etablere otte nye amerikanske militærbaser på norsk territorium.*

Det burde have været tophistorien på alle nyhedskanaler, men det er næsten ikke blevet nævnt nogen steder endnu: I dag, den 2. februar, har det amerikanske militær fået tilladelse fra de norske myndigheder til at etablere

så kaldte "forenede områder" på Andøya Air Base, Ørland Air Base, Haakonsværn Naval Base, Værnes Air Base and Garrison, Bardufoss Air Base, Setermoen Garrison and firing and training ranges, Osmarka mountain facility og Namsen fuel facility.

"Aftalte områder" er en orwellsk eufemisme, der skjuler, hvad det i virkeligheden handler om, nemlig amerikanske militærbaser.

Was müssen Enkel über die Großväter wissen? Was, eine deutsche Außenministerin über ihren Opa und den Zweiten Weltkrieg?

Diese Frage stellt sich nun Annalena Baerbock (Grüne), die gern bei Gedenk-Anlässen über ihren Opa Waldemar und ihre Lehren aus dessen Kriegsgeschichte spricht.
