Valheita ja tarinoita natosta, ydinasevaltiot laajentavat ja uudistavat arsenaaliaan

Arvoisa vastaanottaja!

Tässä kooste tärkeistä kirjoituksista ja videoista.

Yhdysvalloissa opiskelijat vastustavat Gazan sotaa ja vaativat välitöntä tulitaukoa.

Ukrainassa ilmapiiri kovenee, työntekijät ovat lakossa, maa on umpikujassa kun sotatilanne vain pahenee.

- Nato on militarisoinnin huumassa, se lähestyy sotaa, suunnittelee maakäytäviä Eurooppaan ja uhkaa ydinaseilla. Näistä voi lukea lisää alla olevista linkeistä.

- Länsi vastaan muut: Käynnistääkö länsi täysimittaisen sodan globaalia "etelää" vastaan, BRICS-maita vastaan – plus "toisiaan" vastaan? Linkki 13

- Venäjä on havainnut Naton sotilaallisen toiminnan lisääntyvän Venäjän lähellä, mukaan lukien tuoreet ydinharjoitukset. Linkki 20

- Ruotsissa kuten Suomessakin hallitukset ovat ratifioimassa tämän kesän aikana DCA-sopimuksen ilman julkista keskustelua. Ruotsissa on vaadittu kansanäänestystä ja perusteellista keskustelua, Suomessa vain hyssytellään. Linkit 3, 7 ja 19

Douglas Macgregor, eläkkeellä oleva ja palkittu Yhdysvaltain armeijan eversti sanoi Freedom Newsin haastattelussa: "Sopimuksen mukaan Yhdysvalloilla ei ole vain oikeus käyttää ydinaseita Ruotsin alueella puolustukseen, vaan myös alustana amerikkalaisten hyökkäyksille mitä tahansa maailman maata vastaan, ei vain Venäjää vastaan. DCA-sopimus on samanlainen, jonka Saksa ja Japani joutuivat allekirjoittamaan hävittyään toisen maailmansodan." Linkki 22

Newsweek – June 8, 2024 - Video: Protesters Surround White House With 'Red Line' Banner

Tousands of pro-Palestinian demonstrators on Saturday surrounded the perimeter of the White House with a "red line" banner.

Protesters told media outlets the connected pieces of red fabric that made up the banner, which they believed would stretch for two miles, was meant to symbolize a red line they were drawing for President Joe Biden over his support for Israel in the war on Gaza. ...

Global Politics - June 8, 2024 - New York Times medger nu åter att Ukraina har problem med nazism medan DN tiger

I en artikel i New York Times 5 juni 2023 erkänns det nu att Ukraina har ett nazistiskt problem, men märkligt nog är det viktigaste för The Grey Lady, som tidningen också kallas, inte att nazisterna har stort inflytande i Ukraina, men att de nazistiska symbolerna kan ge Putin vatten vid bruket. Globalpolitics.se har publicerat många artiklar om nazismens stora inflytande i Ukraina. Efter 5 juni 2023 har vi bl.a. publicerat denna Zelensky håller hov med Ukrainas mest ökända nazist. och Varför har väst omfamnat nazisterna i Ukraina? ...

WORKERS WORLD - June 7, 2024 - U.S. – NATO threatens ignore 'red lines' in Ukraine

Front lines are collapsing for the Ukrainian army, whole units surrendering. Top commanders are fired. Faced with complete disarray of the U.S.-NATO instigated war in Ukraine, U.S. militarists are doubling down. ...

Ukraine's combat units are so severely understaffed that the government would have to triple its mobilization in order to continue the current level of fighting, according to Eric Ciaramella, former U.S. National Intelligence Council official. The draft can't fill the current gap, nor can even kidnapping men off the streets.

IPS (INTER PRESS SERVICE) – June 6, 2024 - European Nuclear Deterrent a Harebrained Illegal Proposal

By Alice Slater

It is quite astonishing and clearly insane, that Manfred Weber, the German leader of the European Union's center-right European People's Party, now expected to come in first in the European Parliament election scheduled on June 6-9th, is calling for the EU's own nuclear "deterrent"—arguing that the US-stationed nuclear weapons in five NATO states, Germany, Italy, Belgium, the Netherlands, and Turkey, may be inadequate protection for Europe's security should Trump, that great friend of Russia, be elected!

The Cradle – June 5, 2024 - Supporting genocide to halt multipolarityThe Hegemon is calculating for a World War to halt multipolarity.

It supports Israel's Gaza genocide as a necessary evil to win hard in West Asia, figuring who's going to care once the war goes global?

The St Petersburg Economic Forum (SPIEF) takes place this week. It's one of the go-to annual meetings across Eurasia. The overall theme in 2024 is "multipolarity," quite fitting considering this is the year of the Russian presidency of BRICS. The BRICS summit next October in Kazan will be crucial in drawing the contours of the road map towards multipolarity going forward.

WORLD BEYOND WAR – June 4, 2024 - Is NATO Taking Over the Pacific?

By Ann Wright, who served 29 years in the U.S. Army/Army Reserves and retired as a Colonel. 29 countries are participating in the 2024 Rim of the Pacific (RIMPAC) naval war practice that will bring 40 ships, 3 submarines, over 150 aircraft, 14 national land forces and 25,000 personnel to the island of Oahu and the waters off Hawaii. ...

The Transnational – June 4, 2024 - The West versus The Rest

By Michael Brenner, Professor Emeritus of International Affairs at the University of Pittsburgh and a Fellow of the Center for Transatlantic Relations at SAIS/Johns Hopkins. He was the Director of the International Relations & Global Studies Program at the University of Texas. Brenner is the author of numerous books, and over 80 articles and published papers.

Is the West launching an all-out war against global 'South,' against the BRICS – plus, against the 'other'? Are we in the first stages of a civilizational struggle initiated by the U.S.-led assemblage we call the "collective West"? That would have seemed an absurd idea until very recently. How can one reconcile such a dire proposition in the age of Globalization, of inter-dependence? Where is the threat of a magnitude and immediacy that might stir that kind of thinking? ...

YouTube – June 3, 2024 - Prof. Jeffrey Sachs: How Dangerous To Threaten Nukes.

Some excerpts:

The Ukraine project of the US has gone on for some 30 years.

Politically Ukraine is in a limbo. There is no constitutional government. Russian military is pushing through the defence in many parts. There is a desperate situation with staggering casualty figures.

Ukraine and some NATO backers are using drones in an absolute provocative way to attack Russia's nuclear war early warning systems in two attacks last week. This is so paralyse, so reckless, so stupid that it is hard to find words for what our Western leader are doing.

The war in Ukraine must be ended as quickly as possible through negotiations, not*

prolonged with more weapons and further escalation. The desire of the warmongers to spread this tragedy across all of Europe must be stopped!

Simple Flying – June 1, 2024 - NATO: Dutch F-35 Squadron 1st In Europe To Be Responsible For Nuclear Strike

The Netherlands has just announced that it has fully transitioned to using the F-35 Joint Strike Fighters for its nuclear sharing role. This is a long-anticipated move as The Netherlands retires and replaces its aging fleet of F-16 Fighting Falcons with modern fifth-generation F-35s. Many of its old F-16s have been pledged to Ukraine and are expected to start arriving in the country soon. The world's two highest courts have made an implacable enemy of Israel in trying to uphold international law and end Israeli atrocities

Separate announcements last week by the International Court of Justice (ICJ) and the International Criminal Court (ICC) should have forced Israel on to the back foot in Gaza.

A panel of judges at the ICJ – sometimes known as the World Court – demanded last Friday that Israel immediately stop its current offensive on Rafah, in southern Gaza.

Instead, Israel responded by intensifying its atrocities. ...

NEWS VOICE – May 23.2024 – Colonel Douglas Macgregor: Sweden Should Stay Away from the Military DCA Agreement

Retired Colonel Douglas Macgregor was interviewed by Swedish "Freedom News"

After the Swedish Prime Minister Ulf Kristersson's speech to the nation on Sweden's public broadcasting channel 1 (SVT1) on May 13, 2024, US Colonel Douglas Macgregor has a message for the Nordic countries: American nuclear weapons can be brought in without the Swedish government being informed or able to stop it.

According to the agreement, the U.S. not only has the right to use nuclear weapons on Swedish territory for defense but also as a platform for American offensive attacks against any country in the world, not just Russia. The DCA agreement is the same kind that Germany and Japan were forced to sign after losing World War II. ...
