

SUOMI JA YDINASEET. VÄLITÖN TULITAUKO BRICS MAIDEN VIESTI

Arvoisa vastaanottaja!

Toisenlaiset tiedotusvälineet tuovat viestiä maailmalta myös meille.

Ukrainan sota on vastatulessa, tästä on viitteitä monissa kirjoituksissa ja haastatteluissa:

- Ranskalainen historioitsija Emmanuel Todd sanoi haastattelussa 30. lokakuuta, että Länsi ei enää pysty käymään todellista sotaa. Linkki 4

- Yhdysvaltain puolustusministeri Lloyd Austin tarjosi Kiovan vierailullaan luottamusta sanoen: "Moskova ei tule koskaan hallitsemaan Ukrainaa." Linkki 5

- Emmanuel Todd, ranskalainen historioitsija, antropologi ja väestötieteilijä sanoi Corriere di Bolognan haastattelussa, että "Ukrainan armeija on vetäytymässä, ja on tosiasia, että sillä on vaikeuksia värvätä sotilaita", ja lisäsi, että "Lännen talouspakotteet ovat aiheuttaneet enemmän vahinkoa Euroopan taloudelle kuin Venäjän taloudelle". Linkki 22

Benjamin Netanyahu saa osakseen arvostelua belgialaiselta kansanedustajalta, Barbadosin pääministeriltä ja Irlannin parlamentin jäseneltä:

- Belgian kansanedustaja Nabil Boukili syytti Israelia "kansanmurhan suorittamisesta palestiinalaisia vastaan terrorismin torjunnan verukkeella". Linkki 7

- Barbadosin pääministeri Mia Mottley ilmaisi solidaarisuuttaan palestiinalaisille, Netanyahun puheen jälkeen YK:ssa. Linkki 12

- Sinn Fein -puolueen Thomas Gould TD piti puheen Irlannin parlamentissa puhe Irlannin parlamentissa sen jälkeen, kun Irlanti tunnusti Palestiinan. Hän kritisoi Israelin hallitusta yli 15 000 viattoman lapsen tappamisesta. Linkki 25

Suomen, vielä muutamia vuosia sitten arvostettu ihmisoikeuksien, dialogien, rauhan ja oikeudenmukaisuuden puolesta puhuva ääni on täysin hiljentynyt.

Suomen poliittiset johtajat ovat muuttuneet kolmeksi apinaksi:
en kuule, en puhu, en näe.

Ylpeys olla suomalainen on kadonnut - onneksi vielä löytyy muualta urhoollisia poliitikkoja.

Willy Brandt – 3 November 1981

"Peace is not everything, but everything is nothing without peace."

Marraskuisin terveisin!

CEPA – October 25, 2024 – A Sobering Moment in the Ukraine War

If Ukraine remains on its current strategic trajectory, Kyiv could lose the war sometime in 2025. This is an avoidable outcome if action is taken now.

Without significant shifts in strategic approach, the outlook for Kyiv is increasingly grim. However, targeted adjustments can help Ukraine regain the initiative and move closer to achieving sustainable peace.

... When opening the discussion, Erkki Tuomioja (NGO Historians without Borders) stated that the legislation in force in Finland prohibits the importation of nuclear weapons into Finland, and there is no need to change this.
