Arvoisa vastaanottaja!

Maailma on jälleen kerran saanut kokea hirvittävän takaiskun konfliktin ratkaisussa. Lähi-itä on lähes ilmiliekkeissä ja kansankunnat lamaanuneet. Maailmalla osoitetaan mieltä ja vaaditaan rauhaa.

YHDYSVALTOJEN JA ISRAELIN ISKUT IRANIIN JA VAIKUTUKSET LÄHI-IDÄSSÄ

* Mielenosoitukset ovat Yhdysvaltojen ja Israelin Iraniin tehtyjen iskujen jälkeen levinneet maailmanlaajuisiksi. Niissä vaaditaan sodan lopettamista, "Kädet pois Iranista" ja tulitaukoa. Monet vaativat maansa johtoa vastaamaan teoistaan. Protesteja on ollut Ateenassa, Barcelonassa, Brysselissä, Kyproksella, Lontoossa, Pariisissa, Sofiassa, Intiassa, Pakistanissa ja ympäri Yhdysvaltoja.

* Kiinalais-kanadalainen kouluttaja ja kirjailija Jiang Xueqin sanoo, että Iranin sota muutti Lähi-idän ikuisesti. Hän arvioi, että maajoukkojen käyttö Irania vastaan merkitsisi massiivista eskaloitumista. Linkki 3

* "En usko, että Trumpin hallinto suunnitteli tai ajatteli tätä huolellisesti." sanoo Douglas MacGregor, joka on entinen puolustusministerin vanhempi neuvonantaja. Hän sanoo myös, että "Netanyahulla on enemmän vaikutusvaltaa Washingtonissa, jossa Israelin lobbausryhmä on ostanut kongressin ja Valkoisen talon." Myös entinen CIA:n tiedusteluanalyttikko Larry Johnson on sitä mieltä, että tämä sota on erittäin huonosti suunniteltu. Linkit 4, 17 ja 21

* Professori ja asiantuntija, tohtori Mohammad Marandin sanoo, että tämä on vaarallisin geopoliittinen kriisi vuosikymmeniin. Linkki 18

* Maaliskuun ensimmäisen viikonlopun Yhdysvaltojen ja Israelin Iraniin kohdistamien iskujen nopeus ja laajuus yllättivät useimmat Euroopan hallitukset... Jälleen kerran Euroopan johtajat huomasivat kiirehtivänsä reagoimaan konfliktiin, jota he eivät olleet ennakoineet eivätkä valmistautuneet – ja johon heillä oli vain vähän suoraa vaikutusvaltaa. Tuloksena on ollut huomattavan hajanaiset eurooppalaiset vastaukset.

Yhtenäisen rintaman sijaan blokki on jakautunut useisiin leireihin.

Useat Euroopan maat ovat kieltäytyneet osallistumasta hyökkäysiskuihin ja vaativat sen sijaan pidättyvyyttä ja diplomaattisia ratkaisuja. Kiista korostaa kasvavia transatlanttisia jännitteitä sodan suhteen.

Espanja on ainoa maa EU:ssa, joka kieltäytyy antamasta Yhdysvalloille tukikohtien käyttöä Iranin vastaisiin iskuihin. Espanjan pääministeri Pedro Sanchez on tuominut Yhdysvaltojen ja Israelin iskut Iraniin. Linkit 10, 11, 12, 19 ja 22

* Iskuja on suunnattu siviilikohteisiin. Silminnäkijät kuvailevat kauhukohtausta

Teheranin suositulla aukiolla tapahtuneen "kaksoisiskun" jälkeen, jossa yli 20 ihmistä kuoli. Iskuja on ollut mm. tyttöjen alakouluun ja terveydenhuoltoon, jossa lääkäreitä on kuollut. Linkit 13, 20 ja 32

SAKSASSA VASTUSTETAAN ASEVELVOLLISUUTTA

* Kymmenet tuhannet opiskelijat osoittivat mieltään useissa kaupungeissa Saksassa asevelvollisuutta vastaan. "Koululakko asevelvollisuutta vastaan" – aloitteessa on mukana useita ammattiliittoja, järjestöjä ja poliittisia puolueita. *Linkki 16*

TEKOÄLY-YHTIÖ PALANTIRILLE ANNETTU LIIKAA VALTAA GAZASSA

* Palantir Technologialla on pysyvä työpiste Yhdysvaltojen johtamassa Civil Military Coordination Centerin (CMCC) päämajassa Etelä-Israelissa. Palantirin käyttö avun kuljetusten seuraamiseen Gazaan on erityisen huolestuttavaa tarkkailijoille... "YK:lla on jo humanitaarinen arkkitehtuuri kriisien sattuesssa, humanitaaristen periaatteiden mukaisesti ja kansainvälisen oikeuden pohjalta", YK:n miehitetyn palestiinalaisalueen erityisraportoija Francesca Albanese kertoi Drop Sitelle. "Tätä voittoa tavoittelevaa rinnakkaista järjestelmää, johon osallistuu Palantirin kaltaisia yrityksiä, jotka on jo yhdistetty Israelin laittomaan toimintaan, voidaan pitää hirviönä." *Linkki 33*

Address by President John F. Kennedy to the UN General Assembly, September 25, 1961

"Today, every inhabitant of this planet must contemplate the day when this planet may no longer be habitable. Every man, woman and child lives under a nuclear sword of Damocles, hanging by the slenderest of threads, capable of being cut at any moment by accident or miscalculation or by madness. The weapons of war must be abolished before they abolish us."

...What is going on in the Middle East?

Right, so we are in world war III right now. It's only been a week but this war between the United States and Iran can only escalate overtime. So, there are rumours online that the 87th airborne division of the US army has been given deployment orders. They have stopped training exercises and it is possible that they will be deployed to the Middle East very soon, possibly within the next few days. The use of ground troops against Iran would mark a massive escalation. ...

... looks like the disintegration and destruction of the Iranian nation state, efforts at decapitating the state and eliminating the national leadership has failed. That has not worked and I don't think it will work. So the alternative of essentially removing the government is to destroy the place and I think that is what we are

trying to do. Again, that is not going to work, I don't think so. There are 93 million people living in the country. The country itself is roughly the size of Western Europe, or half the size of India. I don't think we have enough aircraft, missiles and bombs to destroy the place. ... I don't think any of this was carefully planned or thought through by the Trump administration.

... PARIS: Hundreds of demonstrators marched through the streets of Paris on Friday, channeling a wave of anti-imperialist fervor following the joint U.S.-Israeli military campaign dubbed "Operation Epic Fury." Waving a mix of Iranian, Lebanese, and Palestinian flags, protesters converged near central landmarks to condemn the targeted assassination of Supreme Leader Ali Khamenei and the subsequent civilian toll, including a widely reported strike on a girls' school in Minab. Speakers at the rally dismissed the official "deterrence" narrative, characterizing the escalation as a thinly veiled conquest for control over Iranian oil and the strategic Strait of Hormuz. The demonstration highlighted a deepening rift between the French public and President Emmanuel Macron, whom protesters accused of abandoning neutrality and risking a "generalized war" through continued military cooperation with the Trump administration and Israel.

COUNCIL on FOREIGN RELATIONS – March 6, 2026 - Europe's Disjointed Response to the U.S.-Israeli War With Iran

The United States launched a major military operation with little to no consultation with its transatlantic allies. Taken together, European leaders' responses to the conflict show they remain deeply divided on questions of military intervention and the use of force.

The speed and scale of last weekend's [U.S.-Israeli strikes on Iran](#) took most European governments by surprise. After leaving Europe in the dark about the capture of Venezuelan leader Nicolás Maduro, the United States launched a major military operation in the Middle East with little to no consultation with its allies in Europe, while expecting to use their bases and receive their broad support. Once again, European leaders found themselves scrambling to react to a conflict they had neither anticipated nor prepared for—and one in which they had little direct leverage. The result has been a strikingly disjointed European response. ...

Taken together, these responses reveal a Europe that remains deeply divided on questions of military intervention and the use of force. But the lack of a unified European reaction also reflects the fundamental reality that Europe has relatively limited strategic weight in the conflict itself and faces an increasingly strained relationship with its most important ally, the United States. ...

MacGregor stated that Iran has struck American bases across the region, rendering them unusable. He said the United States lacks sufficient missiles and logistics for a prolonged war. MacGregor claimed that Israeli Prime Minister

Benjamin Netanyahu pushed President Trump into this war, stating, 'Netanyahu has more influence in Washington, where essentially the Israel lobby has purchased the Congress and the White House.'
